## HEART TO HEART.....by Rev. Scott M. Sunnenberg

Dear Parishioners,

Please remember in prayer Jane Sokolik and the Sokolik and Foster families. This past week, Shawn Foster, Jane's youngest son, had a tragic motorcycle accident and is currently hospitalized with severe injuries and trauma. Jane has asked for prayers for Shawn's healing and recovery and is hoping for a miracle. We know that Shawn is in God's hands and there are none better. Whatever comes to pass in these days ahead, let us accompany the Sokolik and Foster families with heartfelt prayer and the support of our parish family. Notes of care, concern and encouragement may be sent to: Jane Sokolik, 3480 Highway PP, Bolivar 65613

Next week we will post in the bulletin names of those individuals who have been nominated by our Parish Council to serve on the Parish Council. It will be the responsibility of the parish to then elect from those nominated three people. Thank you to those who have served and please prayerfully remember those who will serve.

Thank you to all of you who continue to pray faithfully for vocations to the priesthood and religious life in the Diocese of Springfield-Cape Girardeau and especially from our parish. This past week Deacon Jim Farrar and myself accompanied the seminarians over to Caruthersville, MO where we worked on building a living structure for a woman in need and her two elementary age children. Bishop Rice also accompanied us and worked along side on this project as well. We had several days of Mississippi River Delta heat, with the heat index in the triple digits. We accomplished a lot in a short time, and are especially grateful to Deacon Jim and his woodshop intern for the equipment necessary and project guidance on site. Please continue to pray for our seminarians and those discerning the call.

Thank you to the Brigg's family for donating a 32" flat screen television for use in our PSR classrooms.

Do you or someone you know have need of some furniture basics...as well as several laundry appliances? If so, please contact Fr. Scott or Mary to inquire. It's our hope that we can bless an individual or family in need through the generosity of a donor.

With COVID continuing to be an issue in our hospitals and community, please be advised that masking, while not required in the church at this time, is "**certainly encouraged.**" If you feel ill for any reason, please do not attend Mass, especially if coughing or running a fever. Thank you for helping us to help each other. Please continue to pray for those suffering from COVID and their loved ones.

Recently I've noticed a seemingly higher level of noise before Mass in the gathering space and immediately after Mass in the church and aisles. I'm not one of those priests who thinks you should never talk at church. I am one of those priests who believes there are times for talking, times for quiet and times for listening whenever we go to Mass. With that in mind, please consider the following suggestions:  
**Before Mass, talk to God...**that is spend a few moments preparing your heart for worship;  
**During Mass, allow God to talk to you...**through the Liturgy of the Word and the Liturgy of the Sacrament as well as the prayers and music;  
**After Mass, talk to one another...**but don't forget to spend a moment giving thanks for All we have just received. Please avoid the temptation to converse in the pews and aisles, especially when others may wish to give thanks. It's always good to see one another and catch up. We are blessed with a large gathering space for this to happen.

Through the Hearts of Jesus, Mary & Joseph,

Fr. Scott
