HEART TO HEART.....by Rev. Scott M. Sunnenberg

Dear Parishioners,

Thank you to all parishioners who have given to support the annual DDF. To date we have received donations totaling \$18,434 from 85 donors, so thank you all. We are sending a final push to reach our donor goal of 111 so please seriously consider turning in your card this week. It is always my hope that every parishioner will feel the need, as well as the blessing, of being part of the ministries of our diocese funded through DDF.

Thank you to Brenda and Bill for trimming the large topiaries on either side of the Sacred Heart image at the exterior main entrance. The "haircut" provides a much sharper frame to the Sacred Heart.

Do you or someone you know have need of some furniture basics...as well as several laundry appliances? If so, please contact Fr. Scott or Mary to inquire. It's our hope that we can bless an individual or family in need through the generosity of a donor.

With COVID continuing to be an issue in our hospitals and community, please be advised that masking, while not required in the church at this time, is "**certainly encouraged.**" If you feel ill for any reason, please do not attend Mass, especially if coughing or running a fever. Thank you for helping us to help each other. Please continue to pray for those suffering from COVID and their loved ones.

Please remember that, due to the annual seminarian gathering, the Mass schedule this coming week is not as normal. Be sure to reference the bulletin before attempting to come to Mass.

Recently I've noticed a seemingly higher level of noise before Mass in the gathering space and immediately after Mass in the church and aisles. I'm not one of those priests who thinks you should never talk at church. I am one of those priests who believes there are times for talking, times for quiet and times for listening whenever we go to Mass. With that in mind, please consider the following suggestions:

Before Mass, talk to God..that is spend a few moments preparing your heart for worship;

During Mass, allow God to talk to you..through the Liturgy of the Word and the Liturgy of the Sacrament as well as the prayers and music;

After Mass, talk to one another.. but don't forget to spend a moment giving thanks for All we have just received. Please avoid the temptation to converse in the pews and aisles, especially when others may wish to give thanks. It's always good to see one another and catch up. We are blessed with a large gathering space for this to happen.

Through the Hearts of Jesus, Mary & Joseph,

Fr. Scott
