

## Glory Be

Practice praying with hand motions to aid memorization; suggestions below, or make your own!

### Glory Be

(Stretch out both arms above your head.)

**to the Father,**

(Bring arms down. Hold up one finger.)

**and to the Son,**

(Hold up two fingers.)

**and to the Holy Spirit,**

(Hold up three fingers.)

**as it was in the beginning,**

(Use right arm to point left.)

**is now,**

(Use right arm to point down in front of you.)

**and ever shall be,**

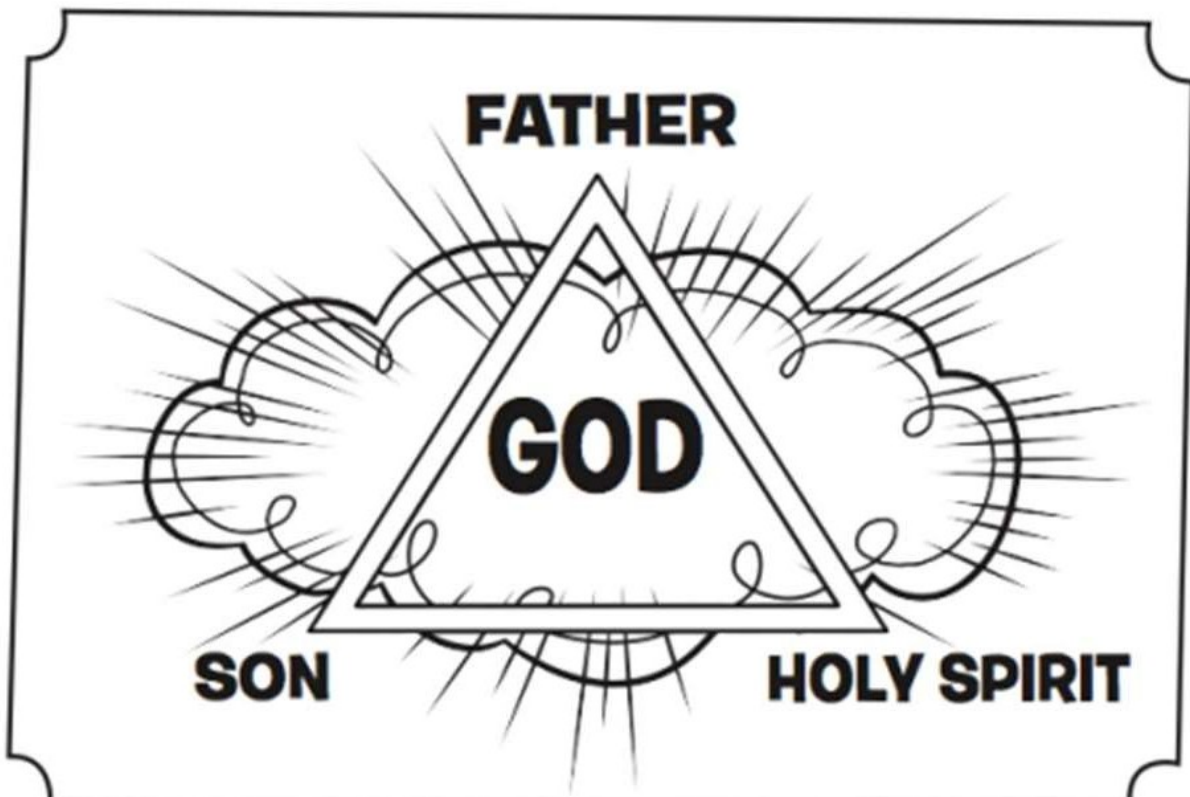

(Use right arm to point to the right.)

**world without end.**

(Curve your arms around as if you were carrying the world in your arms.)

**Amen.**

(Fold your hands together in prayer.)

The Trinity is God the Father, God the Son, and God the Holy Spirit.
