

## What does the Glory Be mean?

Here are few pointers to start understanding this prayer that is so full of meaning.

### Glory be

“Glory be” means we want God to be honored and respected more than anything.

### to the Father, and to the Son, and to the Holy Spirit,

God is one, but three Persons. This is the mystery of the Trinity that we will not understand until we see Him in heaven. Even though we don't understand it, it is the most important truth in the whole world. The Father loves the Son and the Son loves the Father so much and the Love between them is a Person: the Holy Spirit. The love keeps them so tightly together that they are one.

### as it was in the beginning, is now, and ever shall be, world without end.

God was there before anything else, before the whole world. He is with us now. He will be there forever.

**Amen.**

# Glory Be

Glory Be to the Father, and to the Son, and to the Holy Spirit.  
As it was in the beginning, is now, and ever shall be, world without end.

Amen.
