Divine Mercy - the Heart of Jesus

Written by Stephanie Aug

The message of Divine Mercy is simple. Jesus gave this message of infinite mercy to Saint Faustina when He visited her on many occasions. Jesus looks at us as His bride and says, "I want you to be spotless, but the only way to be spotless is to come to Me within the Body of my Church. There is no other way to go to the Father's love except through my merciful heart. I love you with an everlasting love and I ask you to come to me with everything. You are but a little one who needs the Father's love. I am quietly hidden in you. You may not realize it but I am there waiting. I am waiting for you in the Holy Sacrifice of the Altar, Body, Blood, Soul and Divinity. I am the one offering myself in *Persona Christi* in the Priest at Mass.

Divine Mercy, cont.

I called you by water in the Holy Spirit being reborn again by Baptism. I am hidden in the sacrament of love and mercy itself, reconciliation. I am calling you to a higher level of love. I am calling you to the merciful love of my heart, will you hear my call? Will you follow me, come and be united fully and completely with me? I have created you for this, listen and hear me. There is no reason to be afraid, I have created you, knitted you in your mothers womb.

You may feel weak. That is ok, I am here for you and my power is made perfect in weakness. Trust in my mercy, for there is no area that my mercy cannot reach. There is nothing which is hidden from my heart. Do not be afraid for whatever comes your way. I AM LOVE AND MERCY ITSELF. I have a gentle love, one that pursues the bride. There is nothing you can do that would limit me from you. I have created you for such a time as this...so I ask you now... do you trust me?

Jesus asked St. Faustina to inscribe this message at the bottom of the image he described to her - '**Jesus, I trust in you.**'
