HEART TO HEART/by V. Rev. Scott M. Sunnenberg

Dear Parishioners,

Let us remember in prayer the repose of the soul of Linda Francka, longtime parishioner of Sacred Heart. Let us keep her husband John in prayer, as well as their children Cindy, John, and Jessica and all the family. Eternal light shine upon her and may all the faithful departed rest in peace!

Ash Wednesday (Lent) begins this week. How will you spend your 40 days drawing closer to Jesus? On Ash Wednesday you may pick up your copy of the daily Lenten meditation book that we have already received. There will be copies in the gathering space. Other resources are going to Dynamic Catholic website. They have great, FREE, daily reflections that will come to your email. You can also join Scott Hahn as he unpacks the biblical richness of Jesus's Seven Last Words, spoken as He hung dying on the cross. In this free Lenten journey, you will receive 30-minute video reflections on one of Jesus's final utterances. To sign up for this free Lenten journey, click the link here: <https://stpaulcenter.com/lent>

It is not too late to begin your WALK WITH ONE in bringing a member back/or to our faith. Please pick up a *Walk With One* invitation/prayer cards that are available in the vestibule on the table below the bulletin board. This is an important way to spend some time this Lent in focusing on praying for someone, inviting them for conversation and eventually welcoming/leading them home to Christ in a deeper relationship so they can experience His love and mercy.

Through the Hearts of Jesus and Mary,
Fr. Scott

It only takes one encounter.

GO WALK WITH ONE

Someone in your life is waiting for a moment that will change everything. God is ready to deliver, and he wants YOU to be a part of that story. This is your opportunity to be God's instrument in the life of someone you know and love. It only takes one encounter with Jesus to change their life forever.

You don't need to have all the answers—you just need to be present and walk with them. Grace will do the rest. Scan the code to get started.
